S.No.	Test Case ID	Summary	Steps to Reproduce	Expected Result	Actual Result	Priority	Test Case Type	Browser	Execution Status	Reason
1	TC_REd_SU_01	Verify whether Setup module is present in the application header	1. Access the Rethink application using URL 2. Login to the application with valid credentials	Setup module should be present in the application header	Setup module is present in the application header	High	UI	Chrome V85	Pass	
2	TC_REd_SU_02	Verify whether Manage Team Member option is present in the Account Setup page	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard	Manage Team Member option should be present in the Account Setup page	Manage Team Member option is present in the Account Setup page	Medium	UI	Chrome V85	Pass	
3	TC_REd_SU_03	Verify whether the user able to click 'Manage' button of Manage Team Member option	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section	The user should able to click 'Manage' button of Manage Team Member option	The user able to click 'Manage' button of Manage Team Member option	High	Functional	Chrome V85	Pass	
4	TC_REd_SU_04	Verify whether Team Members page is landed when the user clicks 'Manage' button	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section	Team Members page should be landed when the user clicks 'Manage' button	Team Members page is landed when the user clicks 'Manage' button	High	Functional	Chrome V85	Pass	
5	TC_REd_SU_05	Verify whether '/setup/team-members' postfix is present the URL	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section	/setup/team-members' postfix should be present the URL	/setup/team-members' postfix is present the URL	Medium	UI	Chrome V85	Pass	
6	TC_REd_SU_06	Verify whether 'Team Members' title is displayed at the center of the page	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section	Team Members' title should be displayed at the center of the page	Team Members' title is displayed at the center of the page	Medium	UI	Chrome V85	Pass	
7	TC_REd_SU_07	Verify whether the previous page navigation link is available in the left side	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section	Previous page navigation link should be available in the left side	Previous page navigation link is available in the left side	Medium	UI	Chrome V85	Pass	
8	TC_REd_SU_08	Verify whether the previous page link is displayed on performing mouse hover on the page navigation link	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section 5. Make a mouse hover on the previous page navigation link	Previous page link should be displayed on performing mouse hover on the page navigation link	Previous page link is displayed on performing mouse hover on the page navigation link	Medium	UI	Chrome V85	Pass	
9	TC_REd_SU_09	Verify whether the Account Setup page is landed on clicking the previous page navigation link	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section 5. Click on the previous page navigation link	Account Setup page should be landed on clicking the previous page navigation link	Account Setup page is landed on clicking the previous page navigation link	High	Functional	Chrome V85	Pass	
10	TC_REd_SU_10	Verify whether '+ Add Team Member' icon is present in the right corner of the page	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section	+ Add Team Member' icon should be present in the right corner of the page	+ Add Team Member' icon is present in the right corner of the page	Medium	UI	Chrome V85	Pass	

11	TC_REd_SU_11	Verify whether '+' icon color changes on performing mouse hover	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section 5. Make a mouse hover on the '+ Add Team Member' Icon	+' icon should change the color on performing mouse hover	+' icon changes the color on performing mouse hover	Low	UI	Chrome V85	Pass	
12	TC_REd_SU_12	Verify whether 'Add Team Member' tooltip is displayed on mouse hovering	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section 5. Make a mouse hover on the '+ Add Team Member' Icon	Add Team Member' tooltip should be displayed on mouse hovering	Add Team Member' tooltip is displayed on mouse hovering	Low	UI	Chrome V85	Pass	
13	TC_REd_SU_13	Verify whether 'Add Team Member' page is displayed on clicking Add Team Member Icon	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section 5. Click on the '+ Add Team Member' Icon	Add Team Member' page should be displayed on clicking Add Team Member Icon	Add Team Member' page is displayed on clicking Add Team Member Icon	High	Functional	Chrome V85	Pass	
14	TC_REd_SU_14	Verify whether all the required profile fields are displayed in the 'Add Team Member' page	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section 5. Click on the '+ Add Team Member' Icon	Following required profile fields should be displayed in the 'Add Team Member' page Create Profile - First Name(Required) - Last Name(Required) - Email(Required) - Cell Phone Create login credentials - Username(Required) - Password(Required) - Confirm Password(Required) Assigned Organization Assign Role	Following required profile fields are displayed in the 'Add Team Member' page Create Profile - First Name(Required) - Last Name(Required) - Email(Required) - Cell Phone Create login credentials - Username(Required) - Password(Required) - Confirm Password(Required) Assigned Organization Assign Role	Medium	UI	Chrome V85	Pass	
15	TC_REd_SU_15	Verify whether 'Save and Close' button is enabled when the users enters all the required fields	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section 5. Click on the '+ Add Team Member' Icon 6. Enter all the required fields	Save and Close' button should be enabled when the users enters all the required fields Create Profile - First Name(Required) - Last Name(Required) - Email(Required) Create login credentials - Username(Required) - Password(Required) - Confirm Password(Required)	Save and Close' button are enabled when the users enters all the required fields Create Profile - First Name(Required) - Last Name(Required) - Email(Required) Create login credentials - Username(Required) - Password(Required) - Confirm Password(Required)	High	Functional	Chrome V85	Pass	
16	TC_REd_SU_16	Verify whether the validation message is thrown when the user tries to enter mismatched confirm password	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section 5. Click on the '+ Add Team Member' Icon 6. Enter all the required fields with mismatched confirm password	"Confirm password does not match." flash message should be displayed when the user tries to enter mismatched confirm password	"Confirm password does not match." flash message is displayed when the user tries to enter mismatched confirm password	High	Functional	Chrome V85	Pass	
17	TC_REd_SU_17	Verify whether Team Members table page is landed when the user clicks 'Save and Close' button	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section 5. Click on the '+ Add Team Member' Icon 6. Enter all the required fields 7. Click on the 'Save and Close' button	Team Members table page should be landed when the user clicks 'Save and Close' button	Team Members table page is landed when the user clicks 'Save and Close' button	High	Functional	Chrome V85	Pass	

18	TC_REd_SU_18	Verify whether the added team member is listed in the Team Members table when the user searches	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section 5. Click on the '+ Add Team Member' Icon 6. Enter all the required fields 7. Click on the 'Save and Close' button 8. Search for the created team member in the Team Members page	Added team member should be listed in the Team Members table when the user searches	Added team member is listed in the Team Members table when the user searches	High	Functional	Chrome V85	Pass	
19	TC_REd_SU_19	Verify whether 'Save and Close' and 'Assign students' buttons are enabled when the users enters all the fields in the Add Team Member page	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section 5. Click on the '+ Add Team Member' Icon 6. Enter all the required fields including Assigned Organization and Role	Save and Close' and 'Assign students' buttons should be enabled when the users enters all the fields in the Add Team Member page	Save and Close' and 'Assign students' buttons are enabled when the users enters all the fields in the Add Team Member page	High	Functional	Chrome V85	Pass	
20	TC_REd_SU_20	Verify whether the Bottom Pagination is present in the Team Members page	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section	Bottom Pagination should be present in the Team Members page	Bottom Pagination is present in the Team Members page	Medium	UI	Chrome V85	Pass	
21	TC_REd_SU_21	Verify whether the Pagination is working by navigating to the next and previous pages	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section 5. Click on the Next/Previous pagination icon	Pagination should be working by navigating to the next and previous pages	Pagination is working by navigating to the next and previous pages	High	Functional	Chrome V85	Pass	
22	TC_REd_SU_22	Verify whether Search box is displayed along with Search icon	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section	Search box should be displayed along with Search icon	Search box is displayed along with Search icon	Medium	UI	Chrome V85	Pass	
23	TC_REd_SU_23	Verify whether 'Search team members' placeholder is present in the Search box	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section	Search team members' placeholder should be present in the Search box	Search team members' placeholder is present in the Search box	Low	UI	Chrome V85	Pass	
24	TC_REd_SU_24	Verify whether the user able to place the mouse cursor in the Search box	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section 5. Place the mouse cursor on the Search box	User should able to place the mouse cursor in the Search box	User able to place the mouse cursor in the Search box	Low	UI	Chrome V85	Pass	
25	TC_REd_SU_25	Verify whether close icon is displayed when the user enters any character in the Search box	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section 5. Place the mouse cursor on the Search box	Close icon should be displayed when the user enters any character in the Search box	Close icon is displayed when the user enters any character in the Search box	Medium	UI	Chrome V85	Pass	
26	TC_REd_SU_26	Verify whether 'No Results found' is displayed when the user tries to enter invalid data	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section 5. Enter any invalid data on the Search box (Eg: %Hi())	No Results found' should be displayed when the user tries to enter invalid data	No Results found' is displayed when the user tries to enter invalid data	High	Functional	Chrome V85	Fail	Blank table is displayed when the user searches any invalid data

27	TC_REd_SU_27	Verify whether the appropriate results is displayed when the user searches the valid data	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section 5. Search any valid team member on the Search box	Appropriate results should be displayed when the user searches the valid data	Appropriate results is displayed when the user searches the valid data	High	Functional	Chrome V85	Pass	
28	TC_REd_SU_28	Verify whether the filters are displayed as per the requirement below the Search box	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section	The following filters should be displayed as per the requirement below the Search box - Account - Show 25 per page - Roles - Show Active/Deleted	The following filters are displayed as per the requirement below the Search box - Account - Show 25 per page - Roles - Show Active/Deleted	Medium	UI	Chrome V85	Pass	
29	TC_REd_SU_29	Verify whether the team members table is displayed with the specified columns	1. Access the Rethink application using URL 2. Login to the application with valid credentials 3. Navigate to Setup page from Dashboard 4. Click on the 'Manage' Button under Manage Team Members section	The team members table should be displayed with the specified columns - Name - Role - Email - Phone Number - Actions	The team members table is displayed with the specified columns - Name - Role - Email - Phone Number - Actions	Medium	UI	Chrome V85	Pass
